

Surrender means that your FREE WILL is aligned with your soul mission, and your soul mission is to remember your divinity, which means your resonance is harmonizing and returning to Stellar.

Because surrender comes at the intersection of Free Will and Divine Stellar Soul Mission. They must meet for it to be activated.

Free Will is not Freedom.

Free Will is the Freedom of Choice, a double edged sword.

Divine Freedom is not Freedom of Choice, it is Divine Choice.

It has nothing to do with selflessness. That is what I was trying to explain earlier 🤖 but apparently did a bad job of sorry 🙏

Let me try again with some examples to make it easier to digest 🌍

You have to SURRENDER YOUR 3D MEATSUIT LIMITATIONS AND FEARS = AKA YOUR WORLDLY ATTACHMENTS like in **ROMAN** **OV**

Aka the things Satan uses against you. Portal openers. Potential pain points

Finances

Family

Health

Ego, Reputation, Lifestyle

Worldly/Mortal beliefs

Fake Facts (cabal brainwashing)

These are all things that we pursue when we live in the cabal world

So we have to learn to SURRENDER THOSE (the fear of losing them) and understand that they are just cabal traps, a mirage, a ruse to keep you stuck in the 3D life and afraid to leap with Stellar. It keeps you hodling back instead

Surrender does **NOT** mean you just get rid of them for the sake of getting rid of them. You dont become a pauper just bc you want divine abundance. You dont just get a divorce and leave your kids bc you want to marry an angel and have angel babies
